Continuation of 4(e) Other: The amendment to claim 10 has both strike through and single brackets markings to indicate deleted text. 37 CFR 1.121 (c)(2) clearly states that "The text of any deleted matter must be shown by strike-through except that double brackets placed before and after the deleted characters may be used to show deletion of five or fewer consecutive characters. The text of any deleted subject matter must be shown by being placed within double brackets if strike-through cannot be easily perceived" Thus, Applicants should either place the deleted text within double brackets or use strike through to indicate the deleted matter.
